All Group Term Life/AD&D options are offered on a non-contributory basis (100% employer paid) and require 100% employee participation, even if employee waives health insurance.

Dependent Life options are offered on a contributory-basis (cost may be shared by employee and employer or 100% employee paid).

Coverage reduces by 35% at age 65, by 50% at age 70, by 75% at age 75, and terminates at retirement.

A Dual Flat Option requires at least three employees to enroll in each benefit level (i.e. 3 employees with \$15,000 and 3 employees with \$25,000 if selecting the \$15,000 & \$25,000 option).

Evidence of Insurability (EOI) Forms are required for the following reasons:

- Selecting more than \$50,000 in Group Term Life coverage
- Selection by an employee of the higher of two amounts in a Dual Flat Option
- Request for coverage above \$150,000 in a Salaried Option
