Lens and Frame Coverage*

BCBSNC will reimburse you up to the Benefit Period Maximum for glasses, hard, soft or disposable contact lenses.

*The PLAN will pay for either one pair of prescription eyeglasses, one pair of hard or soft contact lenses or one year supply of disposable contact lenses per BENEFIT PERIOD. Any services in excess of this BENEFIT PERIOD MAXIMUM are not COVERED SERVICES

1 NOTICE: Your actual expenses for covered services may exceed the stated coinsurance percentage or co-payment amount because actual provider charges may not be used to determine the payment obligations for BCBSNC and its members.

ADDITIONAL INFORMATION ABOUT BLUE OPTIONS FROM BCBSNC

Benefit Period

The period of time, usually 12 months as stated in the group contract, during which charges for covered services provided to a member must be incurred in order to be eligible for payment by BCBSNC. A charge shall be considered incurred on the date the service or supply was provided to a member.

Allowed Amount

The maximum amount that BCBSNC determines is to be paid for covered services provided to a member.

Out-of-Pocket Limit

The dollar amount you pay for covered services in a benefit period before BCBSNC pays 100% of covered services. It includes deductible, coinsurance and copayments. It does not include charges over the allowed amount, premiums, and charges for non-covered services.

Day and Visit Maximums

All day and visit maximums are on a combined In- and Out-of-Network basis.

Utilization Management

To make sure you have access to high quality, cost-effective health care, we manage utilization through a variety of programs including certification, transplant management, concurrent and retrospective review.

If you have a concern regarding the final determination of your care, you have the right to appeal the decision. If you would like a copy of a benefit booklet providing more information about our Utilization Management programs, call the toll free number listed in your information packet.

Certification

Certification is a program designed to make sure that your care is given in a cost effective setting and efficient manner.

If you need to be hospitalized, you must obtain certification. Non-emergency and non-maternity hospital admissions must be certified prior to the hospitalization. If the admission is not certified, a penalty will be applied.

For maternity admissions, your provider is not required to obtain certification from BCBSNC for prescribing a length of stay up to 48 hours for a normal vaginal delivery, or up to 96 hours for delivery by cesarean section. You or your provider must request certification for coverage for additional days, which will be given by BCBSNC, if medically necessary.

All inpatient and certain outpatient Mental Health and Substance Abuse services must be certified in advance by Magellan Behavioral Health. Call Magellan Behavioral Health at 1-800-359-2422. Office visits do not require certification.

In-network providers are responsible for obtaining certifications. The member will bear no financial penalties if the in-network provider fails to obtain the appropriate authorization. The member is responsible for obtaining certification for services rendered by an out-of-network or out-of-state provider.

Health and Wellness Program

Because we want to help you stay healthy, we offer a variety of wellness benefits and services. You can take advantage of HealthLine Blue, our 24-hour health information service, a health topics library, asthma and diabetes management and a prenatal program. You will also have access to online health and wellness information at www.bcbsnc.com. With our program you can get health advice anytime you need it, so you can learn how to take charge of your health.

What is Not Covered?

The following are summaries of some of the coverage restrictions. A full explanation and listing of restrictions will be found in your benefit booklet.

Your health benefit plan does not cover services, supplies, drugs or charges that are:

- Not medically necessary
- For injury or illness resulting from an act of war
- For personal hygiene and convenience items
- For inpatient admissions that are primarily for diagnostic studies
- For palliative or cosmetic foot care
- For investigative or experimental purposes
- For hearing aids or tinnitus maskers, except as specifically covered by the benefit plan
- For cosmetic services or cosmetic surgery
- For custodial care, domiciliary care or rest cures
- For treatment of obesity, except for surgical treatment of morbid obesity, or as specifically covered by your health benefit plan
- For reversal of sterilization
- For treatment of sexual dysfunction not related to organic disease
- For assisted reproductive technologies as defined by the Centers for Disease Control and Prevention
- For self-injectable drugs in the provider's office
